Choosing Your Creative Design Agency

Use this checklist to discover the right creative design agency for your project.

Background Information

Name of agency:

Overview of your project:

Project goals:

Agency Details

Does the agency's portfolio align with your project?

Have they got experience with design work on a similar scale to your project?

Have they got experience with design work similar to the type of work you require?

Does their style align with the style of work you require?

Does their ethos align with your business?

Are reviews about the agency good?

Have they got long standing relationships with their clients?

Do they have employees that hold the skills your work would require?

Have they got any awards/accreditations/recognition?

We are QD Creative; a creative design agency based in Holborn, London.

We work with a huge portfolio of clients, from SMEs to Blue Chips, to provide clever and iconic creative concepts that work across all channels; from digital to print.

We're a graphic design agency, steeped in iconic history but with an eye to the future. We take your brief and bring it to life using a combination of the latest technology, and skills and knowledge gained over our 37 year history.

If you want to discuss your creative design requirements, get in touch with our team on:
